

Product Information	
sparQ UDI Adapters (1-96)	
Part Number	95211-096
Number of Reactions	96 reactions
Reaction Size	N/A
Storage Temperature	-25 to -15°C
Lot Number	66226418
Reference Number	169049025
Expiration Date	N/A

Product Description:

sparQ UDI Adapters (1-96) are unique dual-indexed adapters designed to be used on Illumina sequencing platforms. The use of UDI's minimizes index hopping events while also enabling greater multiplexing on flow cells.
